

Welcome to Good News Basketball Camp!

Thank you for your desire to participate and help make a great basketball camp this year!

We are thankful for the ability and opportunity to host Good News Basketball Camp. Due to the nature of the sport of basketball and the operations of the program, there are always certain risks involved. We try to provide a good, fun, safe experience for campers *every* year. We continue to be considerate of the health and safety of everyone involved.

- We are blessed to have a beautiful outdoor court which allows us to stay in fresh air and sanitizing sunshine as much as possible.
- In consideration for the health of others, we expect anyone experiencing illness to stay home (not attend). Refunds for missed participation can be available upon request.
- Campers and staff will be expected to wash hands at snack times and when using bathrooms.
- Campers are expected to drink from their own personal water bottles from home. Bottled water can be made available as needed.
- We pray for the Lord's blessing and protection of the health and safety of our participants, their families, and the community around us.

Participants/Attendees, and Parents/Guardians willingly agree that Good News Community Church (and Good News Basketball Camp) will not be responsible for any injury or illness that may occur while attending or participating at Good News Basketball Camp. If anyone has further concerns or conscientious objections, we respect your individual right to abstain from participation, and refunds can be available upon request or credited to registration for next year.

Thank you for your support of Good News Basketball Camp.

Pete George
Camp Director
